## *A place to make new Equine friends and Human friends*

Sunflower Farms Horse Camp offers a full week of riding lessons, horse care, and equine fun. There are multiple sessions available throughout the summer, with early drop-off and late pick-up available for a small fee.

Campers ride every day in a small group lesson devoted to equitation and tailored to their experience level. Beginners receive a solid grounding in equestrian basics, and more advanced riders get the boost that comes from daily

riding sessions and individual attention. Most days we ride a second time to give the children as much experience as possible.

Every day campers spend the whole day with the horses doing horse-related activities. Campers learn to care for their equine friends through fun activities that teach skills such as:

*Good Ground Manners* ♦ *First Aid*  
*Mounted Games* ♦ *Stall Cleaning*  
*Grooming* ♦ *Bathing* ♦ *Braiding*  
*Tack Care* ♦ *Horse Treat Making*  
*Lunging* ♦ *Colors, Breeds and Anatomy*  
*Bareback, English and Western Riding*

Closed-toed shoes and long pants are required for all campers.

Helmets are required but can be provided by the farm for campers who do not have their own.

Gift Certificates are available upon request.

Ages 7-13. Younger campers will be considered if they are already enrolled in a lesson program.

Please call the office at (262) 857-8555 for current dates of the 2012 camp sessions, or check our website: [www.sunflowerfarms.com](http://www.sunflowerfarms.com)
