

SUNFLOWER FARMS

SUNFLOWER SEEDS

August 1, 2007

Hello Sunflower boarders! This August, we welcome several new boarders to Sunflower Farms. In G barn, we have Kathleen Wright's two horses China and Malkovich, and Lynn Martin's horses Cayene and Beau. In C barn, we welcome Linda and Vince Campisano's horse.

To accommodate later rides after the worst heat of the day, Sunflower will remain open until 10pm on days when the temperature reaches 90°.

Our second schooling show is fast approaching. Thank you so much to those of you who have volunteered to help. The show is on August 12th, and will take place in the large outdoor arena. Good luck to all of our boarders who will be competing! If you're not in the show, come on down and cheer on your fellow Sunflower boarders.

Bristol Horse Country will be running a tour on September 16th of barns in the Bristol area. This tour includes a wide variety of barns in the area, including Sunflower Farms. If you are interested, there is a sign-up sheet for further information on the front desk. BHC will also be running a trail ride at Sunflower Farms, tentatively scheduled for September 23rd at 2pm.

On August 25th, Sunflower Farms will be hosting a Grand Opening of our total farm showcasing our newly completed and exceptional Barn G! Look for a notice on the message boards for more information.

Those boarders storing trailers on the property who have not yet contacted the office, you must contact the office this month. All trailers must be registered! Unclaimed trailers will be removed from the property at the owner's expense.

The muck buckets by the wash racks that are riddled with holes are NOT for manure, shavings, or other things that can fall through holes! Please look before you dump!

In other manure-related news, we have a few riders not cleaning up after their horses in the arenas. Each arena has at least two muck buckets and pitchforks to make cleaning up after yourself as easy as possible. Please use them!

If you have a chance, take a look at the new trophy case located near the main entrance of G barn. Congratulations to all our winners!

Updated copies of Sunflower Farms' barn policies have been posted in all of the barn message boards. We'd appreciate it if all boarders would take a minute to read them through.

On October 6th and 7th, Sunflower will have the honor of hosting a dressage clinic with Olympian Lisa Wilcox. There are still spaces available for auditors, and sign-up sheets are located near the announcement boards. Jan Cohen is coordinating this event. Unfortunately, she will not be out at the farm for a while due to an emergency surgery at the end of July. Feel better soon, Jan!

- If you would like your horse fed wet hay, please provide a large bucket for it; we are running short on muck buckets for stall cleaning.
- If you are interested in learning where the emergency shutoffs for the electric fences are, please stop by the office.
- We ask all the boarders to reconfirm their contact information for our records. Stop by the front office or call 262-857-8555.
- The last person out of the barns and arenas should turn out the lights. Please do not use circuit breakers for this purpose.

**He knows when you're happy,
He knows when you're comfortable,
He knows when you're confident,
And he *always* knows when you
have carrots.**
